RULES, REGULATIONS AND GUIDELINES GOVERNING STUDENT'S STAY IN THE COLLEGE

All students must strictly conform to the rules and regulations of the college authority. Violation of any of these rules and regulations attract serious disciplinary measures or even withdrawal of offer of admission.

1. All students must attend all sessions on time, thus late coming and absenteeism will not be condoned.
2. Late coming or running away from the college is strongly prohibited. If caught may lead to cancellation of attendance of the day in addition to other necessary sanctions.
3. Minimum of 75% attendance for the class general attendance and individual courses must be attained by students during classroom sessions. While 80% attendance is compulsory during practical attachments. Failure to attain this would lead to student being prevented from writing semester exams and spillover of the semester and or repeating the practicum in the subsequent year.
4. Writing and signing attendance for students that are absent is strongly prohibited. If caught may lead to immediate suspension from the college.
5. All students must remain in their respective classrooms throughout the period of school hours for the day.
6. Absconding or absence from the school/ practical area for more than two (2) weeks legally or illegally may lead to repeat of session or withdrawal of admission offer.
7. Use of personal clothing, make-ups, or any form of adornment is strongly prohibited in the college and practical areas. Students must remain in correct uniform (in color, shape, style and format) as given by college authority up to the closing hour of the college and practical areas including break and prayer time. Failure to comply will lead to immediate seizure of the item.
8. Any form of behavior or dressing that contravenes or exhibit disrespect to the religious and moral values of the host communities is strongly forbidden.
9. Student should not take law into their hands. Any student that feels offended or aggrieved should report to the matter to the college authority.
10. No student is allowed to institute legal actions against other students or staff. Any students found breaking this rule will face a serious disciplinary sanction.
11. Any form of physical fighting and any exchange of abuses among students is punishable by expulsion, rustication, or suspension as the case may be.
12. Stealing of any kind when established against the student would lead to outright dismissal from the college.
13. Use mobile phone is strictly prohibited during class and practical hours. Anybody caught violating this would lead to seizure of the mobile phone.

14. Indecent posting on social media as related to college may lead to disciplinary actions.
15. Visitors are not allowed during classroom sessions and practical attachment sessions.
16. Students can be posted to any health facility/ center found appropriate for their rural/ urban practical. Students are mandated to remain there for the practical period.
17. All students are expected to meet the condition of service/operation and other regulations of their practical centers eg they come and close same time the facility open and closes.
18. All nursing mothers are strongly warned to ensure they keep their children off the classes/ practical centers.
19. No refund of school fee would be made to any student expelled from the college or when she/he willingly withdraws from the college.
20. Establishment of club/societies/union/forum/association without written permission from the college authority is strongly prohibited.
21. Any form of examinations malpractice is punishable by expulsion from the college.
22. Any form of destruction or mismanagement of college property is bound to be surcharged; a written warning, query or suspension may follow, depending on the nature and gravity of the destruction.
23. Possession of or smocking, peddling of dangerous/hard drugs is punishable by expulsion from the college.
24. The college would not condone any form of immoral dressing, outfit, relationships and association, thus students are advised to behave responsibly within the confines of the law. Contravention of this rule may lead to serious disciplinary action.
25. Any other rules, regulations and guidelines that govern your conduct and stay in the college as may be issued from time to time are acceptable by you.
26. You are expected to sign the attached of acceptance/undertaking and must be duly endorsed by parent/husband/guardian if you accept the admission offer that goes with the complete acceptance of the above laid down rules and regulations of the college.
